ABOUT COLLEGE

Mithibai College of Arts, Chauhan Institute of Science & Amrutben Jivanlal College of Commerce and Economics (Autonomous) is envisaged as a destination for the most talented and promising students, since its inception in 1961. The college has 22 departments of which 14 are postgraduate departments with 9 of them also conduct Ph.D. programmes. It has always encouraged an admission policy that favors meritorious students irrespective of their economic backgrounds. The college inculcates values that prepare a student for academic excellence through the paths of critical thinking, a professional work ethic, and the determination to be accountable. In the last three years, the college has received Rs. 11.82 crores as grants from government bodies such as DBT, DST, UGC, RUSA and University of Mumbai. In 2021, EduWorld has ranked Mithibai College 7th amongst all Autonomous Colleges in the country & 2nd in the state of Maharashtra. The college focus is on excellence and education with a human touch which has attracted the attention of many. The college provides ample opportunity for career advancement and extracurricular achievements. Graduates from the college excel in scientific research, commercial and entrepreneurial fields, national-level sports, the performing arts, and many more. Mithibai College is committed to shaping the future Indian citizen, acknowledges, and strives to live up to the faith and confidence of all the aspirants entrusted in us.

ABOUT MITHIBAI ECONOMIC FORUM

What started as an idea in 2015 has now manifested itself into a student body willing to take action. Through the years MEF has grown exponentially with guidance from teachers and seniors. What started as a whatsapp group to discuss economics and its applications is now spread across four social media platforms curating content and giving the audience the best possible information. Instead of restricting ourselves to textbooks we have transcended the conventional boundaries and made sure economics becomes more interesting and practical.

ABOUT MASTERCLASS

- Mithibai Economic Forum, under The Department of Economics, plans to organize an online monthly Masterclass series starting from the month of September. The agenda of this Masterclass series would be to acquaint participants with a new skill every month, relevant with the current zeitgeist.
- While interacting with the participants, we realized that many students lack the necessary skills for their career development. Hence, we would like to initiate a change by organizing this series, where we conduct one Masterclass each month for this academic year and acquaint our participants with one skill over time, which will not only help them stand out, but will also add a valuable credential on their Resume.
- The aim is to have a professional or a renowned personality from the respective field to impart and deliver the basics of the skill that will be useful to all the attendees. The participants will also be provided with a certificate that can help them add great value to their resume.
