To
The Principal
MITHIBAI COLLEGE (AUTONOMOUS)

Respected Ma'am

I _____ and my ward _____, SAP / Roll number _____ studying in _____ (Year/ Course) in Mithibai College are given to understand that my ward's appeal to the Principal and its subsequent acceptance by College, represented by Principal and the permission given to keep his/ her term is dependent on the complete authenticity of all supporting documents and medical reports submitted to the college or which will be submitted to the college as per demand.

Further we are made aware that my ward will be allowed to write the Semester End examination being conducted in _____ (Month & Year) on the condition that we will submit the original of all medical and other documents that we have made a reference to in the Principal Appeal, both verbal and written, either before or after semester end examination.

I _____ (student's name) am fully aware that any additional documents that do not find mention in the appeal and / or non-submission of such documents and / or any discrepancy found between my claims and the supporting documents submitted will result in my examination being considered null and void.

I am also made to understand that the college will not accept any scanned / photocopied or printed versions of my original documents.

I understand that my attendance for Sem ____ is not meeting the attendance norms of Mithibai College (Autonomous) and I am aware and accept that I might be permitted to write the Semester End Examination conditionally in the event that my case will be referred to the Appellate Authority and that my examination will be considered null and void if the Appellate Authority reject my appeal.
