Important Guidelines Regarding Internship Opportunities

All faculty members and students are requested to take note of the following instructions related to internships opportunities:

- All students should not entertain or apply for any internship opportunity that requires payment, registration fees, or submission of registration forms. Such opportunities should be considered unauthorised.
- All legitimate internship opportunities approved through Mithibai's Training & Placement (T&P) Cell will be communicated only by members of the department
- Students must compulsorily verify every internship opportunity with their Class Mentor before applying, regardless of the source.

These guidelines are issued to safeguard students from fraudulent offers

Faculty members are requested to reinforce this information with students during interactions and mentoring sessions.
